Reference letter

We are one of the largest meat producers in Central and Eastern Europe and one of the industry leaders in Poland. We have been setting standards in the meat processing industry for years and are a precursor of change. Thanks to many years of consistent and effective activities, the SOKOŁÓW brand has become the best-known and top-selling meat brand in Poland. The Sokołów Group employs more than 8,000 employees. The company's main office is located in Sokołów Podlaski. The company has modern 8 production plants located in Poland.

Since many years, Sokołów S.A. Group remains a precursor of changes and sets new standards in meat processing industry. Only the best raw materials are used in production, in large part obtained within the frameworks of cooperation programs with breeders. The production takes place in accordance with the requirements of internationally recognized IFS and BRC standards. All production plants are ISO14001-certified, confirming compliance with the highest environmental requirements.

The current Sokołów S.A. shareholder is an international Danish Crown group - the biggest meat exporter in the world and the largest meat processing company in Europe. Our products are available in more than 40 countries around the world, including in the European Union, the United States, Côte d'Ivoire and the United Arab Emirates

We started cooperation with the D-SAN Solutions Ltd. (subsidiary company of ALVAR group from Iceland) in 2020 and now this cooperation concerns our three production plants. The D-SAN company is our proven supplier and a producer of a very effective technology for fogging production rooms.

Our microbiological tests confirm the biocidal effectiveness of D-SAN systems, and additional benefits are process automation and savings in the consumption of chemicals and water.

We recommend D-SAN Solutions company for cooperation.
